Differing Gifts

Room 301 Dr. Bob Eckard

All of us go at life with our own personal style. In some ways we may be like other members of our family and in other ways we may be quite different. We find that we connect naturally with some people while others present more of a challenge. Understanding our basic personality type can be very helpful in our relations with others and in our personal growth. Dr. Eckard will lead this class in an exploration of the Myers-Briggs approach to understanding personality type. Come and celebrate the gifts that are yours, and expand your appreciation of the gifts of others.

We are accepting early sign-ups and pre-pay. If you would like to sign up for multiple meals at once and pay for them in advance, call the church office (407-647-1467) so arrangements can be made. Please note that meals paid for in advance are non-refundable. Adults \$6.00; Children (under 10) \$3.00; Family Rate Total of \$15

The kitchen crew is in need of support. If you are able to give time and energy to helping dinner run smoothly, please contact Will McCurdy or Barbara Edwards to find out how you can help.

Children's Choir—(K-grade 5)

Room 102 (Bernard), CE Bldg. Susan Davis

Music is one of the most expressive and beautiful ways that children can worship God! It is always a joy to hear our Children's Choir sing during selected Sunday morning church services as they share their glorious gifts and unique charm with all of us. Children's Choir meets every Tuesday Night from 6:30-7:15 pm in the music room and is open to all children in kindergarten and older. Youth serve as helpers before their own 7:15 pm rehearsal.

**Six Themes From Matthew
Everyone Should Know**

Room 317 Rene Cuthill

Rather than a chapter by chapter study, this will look at some major themes to be found in Matthew which are helpful to our understanding and personal faith development. This book is one of a series of *Six Themes* volumes based on different Bible books recently put out by the PCUSA. All are welcome. Preparation each week will involve only a small amount of reading.

Creeds

Room 315 Terry Irwin

This class will examine the place of Creeds and Confessions in the Reformed Churches (PCUSA in particular). It will look at selected Creeds and Confessions from the Book of Order to put them in historical perspective and to explore their significance to our lives today.
