## Spring 2021 VPK After School Enrichment Program

We are planning our enrichment classes for spring! Most classes will be held outdoors (weather permitting). Classes will be taught by a mix of our teachers and outside vendors who have met our safety criteria. Classes run for 12 weeks and begin the last week in January. We plan to combine children from ALL VPK classes to meet the six-child minimum per class.

Extended day until 2:30 is included in the price of \$250. Pricing is adjusted to \$178 for those enrolled in the extended day semester plan.

Registration form is on the back of this sheet.
