All NEW Extended Day Program for the 2021/2022 School Year. No more tickets!

Our early drop off and afternoon extended day programs have been greatly simplified for the new school year. The old ticket system has been eliminated. Early drop off at 8:30 and afternoon extended day until 3:30 will be available only for consistent use on specific days of the week and will be billed at the beginning of each month with your regular tuition. Pickup at 2:30 will be offered only when signing up for an afternoon enrichment class.

You can use extended day less days than your child attends, but you will need to commit to specific days of the week. If you need extended day or early drop off one time only, we will accept a small number of drop-ins by reservation only one week in advance at the rates below.
