Ballet with Rachel Watson – 2:00-2:30 p.m. for 3's & 4's

Ballet Dancing with Ms. Rachel

Ballet is an excellent way for your child to develop coordination, poise, and flexibility all while having fun! Dancers will learn classical ballet techniques while reinforcing self-confidence and social interaction skills with other children. Dancers will also expand vocabulary through learning the French names of steps, develop musicality and rhythm, and improve memory by learning choreography.

Teacher: Rachel Watson grew up as a studio dancer trained in a variety of styles such as ballet, pointe, tap, jazz, lyrical, modern, contemporary, and hip hop. She has traveled the country attending dance competitions and conventions. While following her passion of dance, she found another passion: teaching. Ms. Rachel has been teaching dance since she was fourteen years old to all ages and she plans to do so for the rest of her life! Before beginning college in 2012, she auditioned for the University of Central Florida's dance minor and has since been a dancer and choreographer for the program. Upon graduating in the summer of 2015 with Magna Cum Laude honors, Rachel is pursuing the wonderful opportunity of teaching preschool at Winter Park Presbyterian Preschool.

“Art & Self-Expression” with Mrs. Cross 3's & 4's – 1:15 – 1:45

Art is all about self-expression and fun. For thirty minutes each week your child will have the opportunity to engage with expressive art using paints, printing, clay and more. Children who love art will appreciate this extra time making their marks for beautiful works to share with their family. While some teacher direction is given to assist with learning about different mediums, tool use and vocabulary, the time is intended for a fun experience of engagement often beginning with art literature or exploring the art of a famous artist as an inspiration. The program is intended to offer a time for creating art not crafts. The program is open for three's who are ready for staying after school and VPK students.

Teacher: Catherine has been with WPPC for ten years. She has been a presenter on arts education topics at a variety of educational conferences at the local, national and international levels. Catherine is an active artist

and business owner with her work displayed in galleries in the Southeast. She loves spending time with her family, traveling, swimming, cooking and creating. She has a strong work ethic and her faith guides her for a mindful life of service to community.
