Creativity is something we at WPPC strongly believe in. Having an ART Room on our campus for the past 12 years has enabled us to provide many hours of enrichment, relaxation, fellowship, healing and creative expression through the arts. In the past our programs have been primarily for children & families as well as being a satellite for the Rollins College Lifelong Learning Program which still meets on a regular basis in our Art Room for programs with our Arts Specialist, Mrs. Cross. We are extremely pleased to introduce programming for all ages open to Church members, Preschool families and the community at large. We invite you to check out our offerings for the Winter/Spring 2017 line-up and hopefully we will have a chance to serve your creative needs.

Preregistration is required by noon on the Wednesday prior to the class. Please email back the completed application to Tricia Wilson @ triciaw@winppc.org and return with payment to the WPPC church or pre-school offices between the hours of 9am & 4pm. For all classes we must have at least 5 participants. If you have any questions, please call Tricia Wilson/Director WPPP at (407)629-0727 with any questions.
