

Move to the Groove

Summer Camps for 3, 4 & 5 year olds with Alison Bodeep

Ms. Alison will be teaching a music and movement summer camp that will incorporate different types of music genres and numerous props, including scarves, egg shakers, bells, wooden sticks and a variety of musical instruments for the children to explore and manipulate. This will provide a creative atmosphere where children can experiment with new materials as they move to the beat! The children will participate in interactive storytelling using puppets, and imaginative finger plays and musical art activities. They will also participate in playground fun and games.
